what you asked for...
Or paid for...**

Product Substitution

In a fraud scheme involving product substitution, a contractor misrepresents the product used in order to reduce costs for construction materials.

Selected “Red Flag” Indicators of Product Substitution

- ✓ Any mismarking or mislabeling of products and materials
- ✓ Contractor restricting or avoiding inspection of goods or services upon delivery
- ✓ Contractor refusing to provide supporting documentation regarding production or manufacturing
- ✓ Photocopies of necessary certification, delivery, and production records where originals are expected
- ✓ Irregularities in signatures, dates, or quantities on delivery documents
- ✓ High rate of rejections, returns, or failures
- ✓ Test record reflecting no failures or a high failure rate but contract is on time and profitable
- ✓ Unsigned certifications
- ✓ Contractor offers to select samples for testing programs
- ✓ Supplier entertains on provider gratuities to inspection personnel
